<b>Amount of EYPP money per pupil:</b>		£0.60 per hour		
<b>Total amount of EYPP received:</b>		£6,543		
<b>What are the main barriers to educational achievement faced by eligible children?</b>	<b>What will the curriculum focus of spending and support be?</b>	<b>What will the money be spent on?</b>	<b>What are the expected outcomes?</b>	<b>How will the impact be measured?</b>
Language and communication skills	<b>CLL</b> Individual/paired/small group work, sharing books, learning rhymes to facilitate learning of new vocabulary and gaining confidence in speaking/singing out loud.	Enhance staffing ratio to keep children in discreet bubbles, due to Covid, whilst utilising every opportunity to develop children's communication and language skills.	Ongoing Assessments will show progress in CLL as gaps begin to diminish. Any language delays will be quickly identified and if necessary additional interventions will be put in place.	Baseline Assessment and ongoing Assessments. Pupil Progress meetings October and December. Data analysis and report to Governors.
Possible lack of experiences that allow children to develop their language and wider experience of their local environment	<b>PSED, UW, CLL</b> Walk to the local woods, throughout the year, so children can experience the changing seasons and explore new vocabulary and understanding.	Enhanced staffing ratio to enable walks to take place. Wellies and waterproof coats for children if necessary.	Children using new vocabulary in their talk and play, showing their understanding of the world about them.	Ongoing assessments will show accelerated progress in CLL, PSED & UW. Data analysis and report to Governors.
